

OKFUSKEE RURAL WATER DISTRICT #3

CONSTRUCTION TAP

The undersigned understands that this is a construction tap only, to provide water during construction or other situations that do not require a septic system. Benefit unit will be approved only after septic system is installed and approved by proper authority. I also understand that moving into a residence on this property before septic system approval and paperwork are received and finalized in the water office will result in loss of Benefit Unit until said approval and paperwork are received and finalized.
